

## Accepted Papers Presented

Leadership Practices of Formal and Informal Leaders in The Ohio State University College of Food, Agriculture and Environmental Sciences	1
Dale R. Safrit	North Carolina State University, USA
Chuck Gamble	The Ohio State University, USA
Joseph A. Gliem	The Ohio State University, USA
Rosemary Gliem	The Ohio State University, USA
HRM and HRD in Agricultural Extension Organisations in Iran: A Review of Literature	13
Mostafa Karbasioun	Wageningen University-Netherlands
Martin Mulder	Wageningen University-Netherlands
Diamonds in the Rough: A Case Study of Team Development Across Disciplines, Distances and Institutions	25
Susan Fritz	University of Nebraska-Lincoln, USA
Amy Boren	University of Nebraska-Lincoln, USA
Valerie Egger	University of Nebraska-Lincoln, USA
Impacting Extension Workers' Effectiveness: Understanding Organizational Justice	37
Linda M. Kutilek	Ohio State University Extension, USA
The Afghan Agricultural Extension System: Impact of the Soviet Occupation and Prospects for the Future	49
Tooryalai Wesa	Partnership Afghanistan-Canada (PAC)
Global Leadership: The Language for the 21 <sup>st</sup> Century Marketplace	61
Marta Hartmann	University of Florida, USA
Creating Student Focused Study Abroad Experience: Looking Forward in Programming Design	67
Paula Tieg	Iowa State University, USA
Charles Steiner	Iowa State University, USA
Beyond Technical Solutions: A Dynamic Approach to Problem Solving in an Era of Multifunctional Agriculture and Post-Modern Extension Work	76
Terrence W. Thomas	North Carolina A&T University, USA
Satish Verma	Louisiana State University, USA
Benjamin Gray	North Carolina A&T University, USA
Curricula in Agricultural and Extension Education: A Role for Scholarly Publications	88
David G. Acker	Iowa State University, USA
James I. Grieshop	University of California, USA

Wonderwise 4-H: Following in the Footsteps of Women Scientists	100
Amy N. Spiegel	University of Nebraska-Lincoln, USA
S. Kay Rockwell	University of Nebraska-Lincoln, USA
Deanna S. Acklie	College of St. Mary, USA
Saundra Wever Frerichs	King's College-London
Kathleen French	University of Nebraska-Lincoln, USA
Judy Diamond	University of Nebraska-Lincoln, USA
Reconsidering Graduate Programs for Students from Developing Countries	112
Larry E. Miller	The Ohio State University, USA
Making University Curricula and Training Programs Responsive to Employer Needs: The Experience of Makerere University's Agribusiness Education Program	118
Don Breazeale	University of Nevada Cooperative Extension
Margaret Najingo Mangheni	Makerere University, Uganda
J. Mark Erbaugh	The Ohio State University, USA
Swaibu Mbowa	Makerere University, Uganda
4-H as a Catalyst for Enhancing "Global Literacy" in American Youth	129
Patreese D. Ingram	The Pennsylvania State University, USA
Rama B. Radhakrishna	The Pennsylvania State University, USA
Perceptions and Use of Volunteers in International Agriculture Extension and Development	138
Nicole Stedman	University of Florida, USA
Nick Place	University of Florida, USA
Making Collaboration Work for Children, Youth, and Families	150
Daniel F. Perkins	The Pennsylvania State University, USA
Lynne Borden	University of Arizona, USA
A Multifunctional Web-based Extension Curriculum Targeting Teens as Teachers: The North Carolina 4-H TRY-IT! Project (Teens Reaching Youth through Innovative Teams!)	162
R. Dale Safrit	North Carolina State University, USA
Harriet C. Edwards	North Carolina State University, USA
R. Warren Flood	North Carolina State University, USA
Evaluation of the PEARL Project – Partnership for Enhancing Agriculture in Rwanda through Linkages (PEARL); a collaboration of Michigan State University, The National University of Rwanda and Texas A&M University to Improve Agriculture and Rural Life in Rwanda	174
John M. O'Sullivan	North Carolina A&T State University, USA

Benefits of Engaging Graduate Students in Participatory Rural Appraisals	185
Erik Kelling	The Pennsylvania State University, USA
Thomas Bruening	The Pennsylvania State University, USA
Education, Research and Extension: An Evaluation of Agricultural Institutions in Tunisia	196
Shannon Bedo	Texas Cooperative Extension, USA
Kim E. Dooley	Texas A&M University, USA
Evaluating the Impact of 4-H Japanese Exchange Program	207
Rama B. Radhakrishna	The Pennsylvania State University, USA
Patreese D. Ingram	The Pennsylvania State University, USA
Profiling Female Agricultural Cooperative Extension Agents in the United States	216
Brenda Seevers	New Mexico State University, USA
Billye Foster	The University of Arizona, USA
Training for Rural Women in Portugal: Promoting Equal Opportunities and Development	229
Alberto Baptista	Universidade de Tras-os-Montes e Alto Douro, Portugal
Author Cristóvão	Universidade de Tras-os-Montes e Alto Douro, Portugal
Barriers and Supports: Finding Their Place in Agricultural Extension	241
Billye Foster	The University of Arizona, USA
Brenda Seevers	New Mexico State University, USA
Counting Change: A Review of Gender Related Trends and Assumptions in the JIAEE	253
Pamela Bartholomew	Michigan State University, USA
Inger Bergom	Community Educator and Technical Trainer, Lansing, MI
Megan McCune	Michigan State University, USA
Jennifer Kapp	Michigan State University, USA
Experiences Needed for Students Taking International Agricultural Courses	264
Thomas Bruening	The Pennsylvania State University, USA
Xiaorong Shao	The Pennsylvania State University, USA
Experience, Perceptions, and Likelihood of Participating in International Opportunities among College of Agricultural and Life Science Students	273
Tracy Irani	University of Florida, USA
Nick Place	University of Florida, USA
Lisa Lundy	University of Florida, USA
Curt Friedel	University of Florida, USA

Beliefs, Attitudes and Perceptions of International Involvement among College of Agriculture and Life Science Students	284
Nick Place	University of Florida, USA
Tracy Irani	University of Florida, USA
Curt Friedel	University of Florida, USA
Lisa Lundy	University of Florida, USA
Faculty Perspective on Strategies to Internationalize the Agricultural Curriculum	295
Maria Navarro	University of Georgia, USA
Taking the Ultimate Step by Placing Economic Values on Extension Program Impacts	307
John G. Richardson	North Carolina State University, USA
Charles L. Moore	North Carolina State University, USA
George J. Young	Auburn University, USA
Building a Public-Private Strategy for Global Market Development: Refocusing Extension to Serve the Needs of Small-Scale Farmers in Egypt	318
Burt Swanson	University of Illinois at Urbana-Champaign, USA
Mohamed M. Samy	University of Illinois at Urbana-Champaign, USA
ICT – Its Potential as a Channel for Enhanced Extension Services	327
Liam Morrow	Teagasc, Ireland
Tom Kelly	Teagasc, Ireland
Tom Kirley	Teagasc, Ireland
The Continuing Role of Government in Pluralistic Extension Systems	338
William Rivera	University of Maryland, USA
Gary Alex	International Consultant
From the First Green Revolution to the Second: What Can Agricultural and Extension Educators do to Help Transform the Lessons from the Past into Successes of the Future	350
Maria Navarro	University of Georgia, USA
The Importance of Industry/Extension Joint Development Programme in a Relevant and Effective Extension Service	361
Tom Kelly	Teagasc, Ireland
Tom Kirley	Teagasc, Ireland
Tom O'Dwyer	Teagasc, Ireland
Between Government and Market Failure: Issues, Perceptions and Policy Challenges in Reforming public Sector Extension Services in Sub-Saharan Africa	373
Adewale J. Alonge	Miami-Dade Public Schools, Miami, FL, USA

The Interest of State Extension Service Directors and Administrators Related to International Opportunities		388
Ed Franklin	University of Arizona, USA	
Ahmed Ali Al-Hassan	University of Arizona, USA	
Jack Elliot	University of Arizona, USA	
Jim Knight	University of Arizona, USA	
Effectiveness of Informal Education Methods in the Texas-Mexico		400
Tanya Harvey	Texas A&M University, USA	
Jodi Rogers	Texas A&M University, USA	
Clayton Everett	Texas A&M University, USA	
Jorge Adrian Garcia	Texas A&M University, USA	
Gary Wingenbach	Texas A&M University, USA	
Manuel Piña	Texas A&M University, USA	
Wayne T. Hamilton	Texas A&M University, USA	
Food Mountain – A Multi-Functional Agricultural Extension Project in North West Province, South Africa		408
J B (Ben) Stevens	Extension Services, South Africa	
Information Technology Use and Effectiveness in the Texas-Mexico Initiative through the Center for Grazinglands and Ranch Management		418
Clayton Everett	Texas A&M University, USA	
Gary Wingenbach	Texas A&M University, USA	
Manuel Piña	Texas A&M University, USA	
Wayne T. Hamilton	Texas A&M University, USA	
Information Technology Knowledge and Skills of Agricultural Researchers in Botswana		423
Stephen Kayode Subair	Botswana College of Agriculture, Botswana	
Florence Kgankenna	Gaborone Senior Secondary School, Botswana	
Core Competencies: A Systems Approach for Training and organizational Development in Extension		432
Richard T. Liles	North Carolina State University, USA	
R. David Mustain	North Carolina State University, USA	
Innovative Approach Using Experts to Develop a Distance International Course on Multi-Functional Agriculture		441
John Hillison	Virginia Tech, USA	
Jerry Gibson	Virginia Tech, USA	
Perceptions of Livestock Extension Education Delivery Among Dairy Producers in the North Coast of Honduras		450
Elena Maria Toro	University of Florida, USA	
Nick Place	University of Florida, USA	

The Non-Formal Manager in Extension Jacqueline LaMuth	The Ohio State University, USA	462
Challenges in the Management of Agricultural Enterprises in Botswana Secondary Schools Barnabas M. Dlamini Kethoahetse J. Dingwa	University of Swaziland, Swaziland Botswana College of Agriculture, Botswana	474
Teachers' Perceptions Toward Curriculum Reform and In-Service Training Programs in Chinese Agricultural Schools Xiaorong Shao Thomas Bruening	The Pennsylvania State University, USA The Pennsylvania State University, USA	484
A Longitudinal Study of Secondary Student Attitudes and Beliefs Relative to International Agricultural Issues Jack Elliot Reta Yanik	The University of Arizona, USA The University of Arizona, USA	495
Perceptions of Lithuanian Agriculture Teachers Towards the Ecological Paradigm James J. Connors Benjamin Swan James A. Brousseau	The Ohio State University, USA The Ohio State University, USA APPLE Agricultural Instructor, Milan, MI, USA	506
An Investigation into the Impact of Farm Labour Use on Irish Suckler Beef Farms Hazel Leahy Dermot J. Ruane Edward G. O'Riordan	Teagasc & National University of Ireland, Ireland National University of Ireland, Ireland Teagasc, Ireland	519
Education and Extension for Multi-Functional Agriculture: Extension Concepts for Sustainable Agricultural Development in Myanmar Khin Mar Cho Hermann Boland	Justus-Liebig-University Giessen, Germany Justus-Liebig-University Giessen, Germany	531
Self-Examination of the Regional Advisory Council of the National Agricultural Research Institute (INIA) of Uruguay Ernesto Restaino Galup	Michigan State University	539
Communication Process in the Texas-Mexico Initiative Through the Center for Grazinglands and Ranch Management Jodi Rogers Gary Wingenbach	Texas A&M University, USA Texas A&M University, USA	551
Sustaining Community- Based Programs: Examination of Relationships Between Sustainability Factors and Program Results Jay A. Mancini Lydia I. Marek	Virginia Tech, USA Virginia Tech, USA	560

Delivery Strategies Matrices for Selected Villagers in Northeastern Mexico	571
Sabrina L. Tuttle	University of Arizona, USA
James R. Linder	Texas A&M University, USA
Kim E. Dooley	Texas A&M University, USA
Towards an Appropriate Extension Approach for South Africa: From Model to Principles	580
Gustav H. Düvel	University of Pretoria, South Africa
Addressing the Needs of Smallholder South African Farmers Through Participatory Rural Appraisals	588
Xiaorong Shao	Pennsylvania State University, USA
Vladimir Konovalchuk	Pennsylvania State University, USA
Brian Clark	Pennsylvania State University, USA
Thomas Bruening	Pennsylvania State University, USA
Internet Use in the Texas-Mexico Initiative Through the Center for Grazinglands and Ranch Management	
Jorge Adrian Garcia	Texas A&M University, USA
Tanya Harvey	Texas A&M University, USA
Jodi Rogers	Texas A&M University, USA
Clayton Everett	Texas A&M University, USA
Gary J. Wingenbach	Texas A&M University, USA
Manuel Piña	Texas A&M University, USA
Wayne T. Hamilton	Texas A&M University, USA
Assessing Effective Factors in Using Internet by Faculty members of Agricultural College of Zanjan University, Iran	604
Jafar Yaghoubi	College of Zanjan University, Iran
Ebrahim Shamsayi	College of Zanjan University, Iran
An Evaluative Study of the United States Cooperative Extension Service's Role in Bridging the Digital Divide	609
Chanda D. Elbert	Texas A&M University, USA
Antoine J. Alston	North Carolina A&T State University
Evaluations of Student Perceptions of Technologies Used in the Delivery of an Online Course Prepare Students for International Development	619
Theresa Pesl Murphrey	Texas A&M University, USA
Kelly Jett Murphrey	Texas A&M University, USA
An Exploration of Information-Seeking Behavior of Extension Managers and Specialists	626
Gholamreza Pezeshki-Raad	Tarbiat Modares University, Iran
Nasser Zamani	Tarbiat Modares University, Iran
Rama Radhakrishna	The Pennsylvania State University, USA

Utilizing International Students' Critical Thinking and Perceptions to Design an Internationally Focused Course Module for Plant Biotechnology	639
Tracy Irani	University of Florida, USA
Rick Rudd	University of Florida, USA
Curt Friedel	University of Florida, USA
Maria Gallo-Meagher	University of Florida, USA
Sharon DeFino	University of Florida, USA
Making use of Nominal Group Techniques with New Extension Faculty to Determine How to Effectively Include Advisory Committee Members in Extension Programming	646
Nick T. Place	University of Florida, USA
Peter Fox	University of Florida, USA
The Development of a Family Focused Advisory Programme in the Republic of Ireland	656
Pat Bogue	National University of Ireland, Ireland
James Phelan	National University of Ireland, Ireland
Towards an Improved Prediction of Adoption Behavior	667
Gustav H. Düvel	University of Pretoria, South Africa
Habtemariam Abate	University of Pretoria, South Africa
Effective Social and Extension Factors Involved in Adoption of Integrated Campaign in Control of Rice Stem Borer, ( <i>Chilo Suppressalis</i> ) A Case Study in Isfahan Province, Iran	678
Gholamreza Pezeshki-Raad	Tarbiate Modares University, Iran
Jafar Yaghoubi	Azad University, Iran
Mohammad Masaeli	Zanjan University, Iran
Understanding the Impact of Context: A New Approach for Understanding the Adoption of Improved Pest and Disease Management Practices	682
Denise Bewsell	Ruakura Research Centre, New Zealand
Geoff Kaine	Ruakura Research Centre, New Zealand
An Examination of the Motivations and Characteristics of Farmers who Discontinue an Innovation, and the Implications for Extension	694
A. Sofranko	University of Illinois, Champaign-Urbana, USA
B. Swanson	University of Illinois, Champaign-Urbana, USA
M. Samy	University of Illinois, Champaign-Urbana, USA
Future Farmers of Turkmenistan: A Multifunctional Agricultural Youth Organization	706
Randall J. Andreasen	New Mexico State University, USA
Reasons for Girls to Choose Agriculture or other Science and Technology Programs	712
Marietta P. Dlamini	University of Swaziland, Swaziland
Sicelo S. Ngwenya	Mhlatane High School, Swaziland
Barnabas M. Dlamini	University of Swaziland, Swaziland

Educating Older Americans for the Prevention of Foodborne Illness		724
Joyce C. Gordon	Kansas State University, USA	
John Raacke	Kansas State University, USA	
Brian M. Friel	Kansas State University, USA	
Karen Penner	Kansas State University, USA	
Kristina Boone	Kansas State University, USA	
Valentine Remig	Kansas State University, USA	
Lithuanian Agriculture Teachers' Perceptions on the Importance and Integration of Leadership Skills into the Agriculture Education Curriculum		735
James J. Connors	The Ohio State University, USA	
Benjamin Swan	The Ohio State University, USA	
James A. Brousseau	APPLE Agricultural Instructor, Milan, MI, USA	
PRA: Where has all the Participation Gone?		744
Kiumars Zarafshani	Razi University, Iran	
Hossein Azadi	Shiraz University, Iran	
Farmer's Knowledge Networks: A Multi-Functional Approach to Facilitating Learning and Innovation		751
Margaret M. Kroma	Cornell University, USA	
Engaging the Periphery: Farmer Facilitators as an Alternative Approach for Constructive Collaboration with Small Farmers in Trinidad, WI		765
Kelly Payson	University of Florida, USA	
Wayne Ganpat	Ministry of Agriculture, Trinidad, West Indies	
Marta Hartmann	University of Florida, USA	
Len Peters	Grande Riviere United Farmers Assoc., Trinidad, West Indies	
Nick Place	University of Florida, USA	
Extension Service in Nicaragua		777
Jan Fernandez	Texas A&M University, USA	
Personality and Strategy in Agriculture		790
Geoff Kaine	Ruakura Research Centre, New Zealand	
Jean Sandall	University of New England, Australia	
Denise Bewsell	Ruakura Research Centre, New Zealand	
Evaluating the Impacts of Collaborative-Based Extension Programs to Address Natural Resource Conflicts		802
Loretta Singletary	University of Nevada Cooperative Extension, USA	
Steven Daniels	Utah State University, USA	

Using Sensemaking to Interpret Stories About Water Use Efficiency Practice	813
Maria Rose	Victorian Dept. of Primary Industries, Australia
Ruth Beilin	University of Melbourne, Australia
Mark Paine	University of Melbourne, Australia
The Globalized Extension System – Information is Global: Engagement is Local	825
Jerold R. Thomas	Ohio State University Extension, USA
Daney Jackson	Pennsylvania State University, USA
The Self-Directed Learning Readiness of Extension Clientele in Doctor Arroyo, Nuevo Leon, Mexico: Implications for Teaching and Learning	831
James R. Linder	Texas A&M University, USA
Sabrina Tuttle	University of Arizona, USA
In-Heok Lee	Texas A&M University, USA
Mayla M. Kohls	Texas A&M University, USA
James W. Hynes	Texas A&M University, USA
Indigenous Knowledge and Experience for Multi-Functional Agriculture in the Bambara Culture of Mali	839
Moctar Kone	University of Mali, Mali
Mercy Akeredolu	University of Mali, Mali
The Development and Application of the Balanced Scorecard (BSC) for the Irish Dairy Farmer	851
Alish Byrne	National University of Ireland, Ireland
Dermot J. Ruane	National University of Ireland, Ireland
Tom Kelly	Teagasc, Kildalton College, Ireland
Assessing Technology-Assisted Learning Readiness and Willingness of Mexican University Faculty and Administrators Involved in Biotechnology	862
Patricia Villalobos	Texas A&M University, USA
Theresa Pesl Murphrey	Texas A&M University, USA
Kelly Jett Murphrey	Texas A&M University, USA
Manuel Pina, Jr.	Texas A&M University, USA
Andres de la Concha-Bermejillo	Texas A&M University, USA
Multi-functionality in the Jordanian Agriculture: The Interface Between Farming and Biodiversity	868
Ahmad Shukri Al-Rimawi	University of Jordan, Jordan
Pest Management Practices Among Small Scale Farmers in Kiambaa Division of Central Kenya	878
Catherine N. Munyua	The Pennsylvania State University, USA
Phyllis F. Adams	The Pennsylvania State University, USA
Rama Radhakrishna	The Pennsylvania State University, USA

Examination of Labour Efficiency on Irish Dairy Farms and Feasibility of Alternative Time Allotment to Retain Viability	890
Bernadette O'Brien	Teagasc, Moorepark Research Centre, Ireland
Kevin O'Donovan	Teagasc, Moorepark Research Centre, Ireland
David Gleeson	Teagasc, Moorepark Research Centre, Ireland
Dermott Ruane	National University of Ireland, Ireland
Extending Technologies Among Small-Scale Farmers in Meru: Ingredients for Success in Farmer Groups	902
Kristin Davis	University of Florida, USA
Steven Franzel	World Agroforestry Centre, United Nations, Kenya
Peter Hildebrand	University of Florida, USA
Nick Place	University of Florida, USA
