

Association for International Agricultural and Extension Education

Members of AIAEE,

We wish to congratulate the AIAEE members that have successfully contributed to the 2006 scholarship recognized in these proceedings. We have an excellent representation with 60 papers, 21 posters and 11 carousels to be shared during our 22nd annual meeting with the theme of *International Teamwork in Agricultural and Extension Education* held at the Sheraton Sand Key Resort, Clearwater Beach, Florida, May 14 through May 19, 2006.

I would like to thank and recognize the excellent scholarship team members assisting your association and in charge of our scholarship activities for AIAEE. The scholarship leadership team members and their 2006 annual meeting duties:

Co-chair, professional papers, **Kelli Selby**, responsible for all professional paper reviews and scheduling,

Co-chair, posters and carousels, **Nicole Webster**, responsible for the poster and carousel reviews and scheduling,

Co-chair, judges, **Cyndi Barnett**, responsible for soliciting and coordinating all judges for the paper, poster and carousel presentations,

Co-chair, concurrent session's, **Marta Hartmann**, responsible for selecting, organizing and working with chairs, discussants and timekeepers,

Co-chair proceedings, **John Vreyens**.

Special thanks are extended to those members who helped make the conference successful by undertaking professional responsibilities above their normal workload. Such tasks included evaluating abstracts for papers, carousels, and posters, serving as discussants for papers presented, chairing and facilitating sessions, timekeepers and assessing the quality of presentations made through judging. And to the members doing all the unnoticed things that cause conferences to run smoothly and successfully.

A handwritten signature in black ink that reads "Pete Vergot III". The signature is written in a cursive, flowing style.

Sincerely,

Pete Vergot III, Ph.D., District Extension Director
AIAEE Chair, Scholarly Activities
