

Journal Article of Year Awards for 2004

The Editor requested *JIAEE* Board Members to review all articles published in Volume 11 (2004) and nominate articles for the third annual **Article of the Year Award**. The nomination period occurred in April 2005. Criteria for article selection and nomination were the article's capacity for "enhancing the *research* and *knowledge base* of agricultural and extension education worldwide..." Five truly outstanding papers were nominated.

The Editor asked the *JIAEE* Board Members and AIAEE leadership team members to review and rank the overall excellence of each article. Following are the results of this evaluation to promote the scholarship and recognition of authors who contribute to enhancing the *research* and *knowledge base* of agricultural and extension education worldwide.

Congratulations to all the authors on their scholarly achievements. Please take a moment to send your congratulations to these authors for their achievements and for helping all AIAEE members achieve prominence in the research publication process.
