

Journal Article of the Year for 2006

The Editor requested *JIAEE* Board Members to review and nominate articles published in Volume 13 (2006) for the fifth annual **Article of the Year Award**. The nomination period occurred in April 2007. Criteria for article selection and nomination were the article's capacity for "enhancing the *research and knowledge base* of agricultural and extension education worldwide..."

Dr. James Lindner, Associate Editor, conducted a survey of all *JIAEE* Board and AIAEE leadership members, asking them to review and rank the overall excellence of each article. Following are the results of this evaluation to promote the scholarship of enhancing the *research and knowledge base* of agricultural and extension education worldwide.

Congratulations to all the authors on their scholarly achievements. Please take a moment to send your congratulations to these authors for their achievements and for helping all AIAEE members achieve prominence in the research publication process.
