

Journal Article of the Year for 2007

The Editor requested board members to review and nominate articles published in Volume 14 (2007) for the sixth annual **Article of the Year Award**. The nomination period occurred in February 2008. Criteria for article selection and nomination were the article's capacity for "enhancing the *research and knowledge base* of agricultural and extension education worldwide..."

Dr. Gary Wingenbach, Past-Editor, conducted a survey of board members, asking them to review and rank the overall excellence of each article. Following are the results of this evaluation. Congratulations to all the authors on their scholarly achievements.
